2020-02-27	Don Ferguson	Align with actual code (Build 19)
2023-07-15	Don Ferguson	Align with Build 30

SCOPE

This GUI module is called from a number of GUI_Project modules.

LOOK AND FEEL

The window has several parts:

- The upper right icon buttons provide the following universal features:
    - the 'Output' icon enables <u>Output</u> of the project properties list by sending the contents of the Project Properties tabular display to a file or to a printer
    - the 'Help' icon displays context <u>Help</u> about the use of this window
- A scrollable display area which shows all of the properties of the currently selected project. The list of sizes, etc of the project components will be added to this scrollable list as they become available from the project database
- The "Close "button which closes this window.
